

24H COMPETITION 15th edition

Ideasforward are an experimental platform seeking progressive ideas that reflect on emerging themes. The eco design, sustainable architecture, new materials, concepts and technologies are compelling issues in the societies of the future and the involvement of the whole community is imperative. In an globalization era, where communication was dominated by the technological revolution, there is the need to rethink the cities and how Man relates in a global World as well as rethink the economic, social and cultural patterns of contemporary societies.

AIM OF THE COMPETITION - 24H

A space where the time limit is used to stimulate your creativity.

This competition proposes to reflect on themes of the current societies that affect us all, but also on more utopian themes, in order to make us think and rethink our codes and conduct.

We are looking for progressive and visionary ideas that can somehow change the way we see the World!

Commitment, perseverance, inspiration and hard work are the necessary bases to develop a proposal that meets the premises that will be released regularly in the brief of the competition.

We challenge you to prove your talent in 24 hours!
Take the risk!

FRAMEWORK

mythology

Mythology: one of the most brilliant heritages of humanity. Architecture of fascination in the minds of a people, which turned doubts into certainties. Gods are reinvented in human bodies that mirror the imperfect creation of space. Force of believing. Myth, tale, legend. Asymmetric symmetries of the world ...
