

# Guidance of the enrollment

**Japan Illustrators' Association (JIA) is the most popular organization of professional illustrators in Japan.**

The number of the members of Japan Illustrators' Association is about 500.

We started to accept illustrators from foreign countries.

The condition of the enrollment needs the results that are more than three years as a professional illustrator.

## Privilege of the member

### 1 . We mediate the work of the illustration in JIA.

When a client request to coordinate an illustrator in JIA, we choose illustrators in accord with the work and give their images for the presentation.

We email the information about the work to the members of JIA via mailing list "**JIA tushin**" as needed, and if you are interested in the work, you send your illustration sample by emails to the JIA secretariat.

We compile the illustrations sent to the secretariat and submit it to a client who order for an illustration.

The work of the illustration is established if your sample is chosen by the client.

### 2 . We show illustration works and the profile of the member of JIA on web site.

We display the works and the profile of the member on the page "**The illustration gallery**" of JIA web site.

The visitor looks at this gallery, and order the work of illustration.

### 3 . In case you have your own web site, we link on JIA web site.

When a visitor likes your work in a gallery of JIA, visitor contact you directly via the link of your own web site which is placed in the profile.

You can expect your own web site access up by being linked, because the web site of JIA gets more than 10,000 daily access.

If you do not have your own web site, you can place your email address on your gallery page.

In case email address is not placed, the customer email to the secretariat and we transfer the email from the customer to you.

### 4 . You can apply for "The illustration year prize" with a member special price.

You can apply for "**The illustration year prize**" that is the only one competition in Japan evaluating the work that a professional illustrator did in a year with a member special price.

We commend "Illustrator of the year" as the illustrator who did the best work in the year, and "excellent illustrators" as the illustrators who did excellent work in each section.

**5 . You can get the latest information about illustration by the mailing list "JIA tushin".**

We email informations of the illustration work in the mailing list "JIA tushin" for the members of JIA.
