

# コンペ情報 日新工業株式会社

- Drawings:

All drawings should represent the concept of the theme just by drawings and with less explanation in words as possible.

Drawing should be block plan, floor plan, elevation view, cross-section view, perspective view, model photo etc.

You may use blue print, pencil, ink, color, photo, print etc at your discretion.

- Materials:

Complete all drawings, photo. etc on one sheet of thick drawing paper(like Kent paper) of A2-Size( 420mm x 594mm).

Thin paper such as imitation vellum-paper should not be used as easy to break when opening the envelop.

Paneled or framed will not be accepted.

- \* Inquiries:

The sponsors will not answer any questions about the theme. All matters not covered in these regulations are left to the discretion of the entrants.

- \* Submission:

On the back side of your entry, attach the application form with necessary information and send by mail to the address below. (Applications will be accepted only through mail delivery. No hand or bike/bicycle courier deliveries are accepted.)
