

Eleanor Allwork Scholarship

To apply for this award, students must be nominated by the dean or chair of the school of architecture in which they are currently studying.

Purpose

Merit-based scholarships that support architecture students with demonstrated financial need.

Award

Multiple awards of up to \$7,500, each with the potential of an Honor(s) grant of up to \$10,000.

Eligibility

Students seeking their first degree in architecture from an NAAB-accredited school in the State of New York are eligible. The dean or chair of the architectural school shall nominate up to two students from their respective college or university to apply. Nominated students will have a high level of academic performance and evidence of financial need. The financial need of each student shall be determined by the guidelines of the Financial Aid Officer of the school nominating the candidate. Students need not be U.S. citizens.

Note: A graduate student is eligible if his or her undergraduate degree is in a field other than architecture. Students cannot be nominated for both the Allwork and Center for Architecture Design scholarships. Students in their final year of school are not eligible to apply.

Jury Guidelines

Financial aid for students seeking their first architectural degree from a NAAB-accredited school (Allwork) or first design degree (Center for Architecture Design) with a high level of academic performance and financial need. Student portfolios, each containing three projects, should be judged in terms of the following additional criteria:

Concept	Demonstrates a clear and focused line of inquiry
Artistry	Demonstrates a sensitive aesthetic ability
Skill	Demonstrates a high level of aptitude

Deadline

Applications must be received on **March 15th by 5:00 pm EST**. Applications received after the deadline or incomplete applications will not be considered. No exceptions.

Application Requirements

- Cover Sheet: The cover sheet must be placed on the front of hard copy submissions.
- Portfolio: The portfolio should include three of the student's projects as examples of their work. Submissions of collaborative projects where the applicant's role is not clear are discouraged.
- Two Letters of Recommendation: Letters of recommendation, both electronic and hard copy versions, must be signed and on letterhead.
 - One letter must be written by the nominating dean or chair. This letter will serve as the dean's official nomination. Each student requires an individual nomination letter from the dean or chair.
 - One letter must be written by a faculty member familiar with the applicant's work.
